

# Bago Small Schools ~ Swimming Carnival 2020

***Years 3 to 6 ONLY***

Friday 7th February 2020

Dear Parents and Care Givers,

The first small schools event for 2020 will be the swimming carnival, this will be on Friday 7th February 2020. This carnival is for all 3-6 students. Students who can swim or would like to try to swim 50metres can enter the swimming events on the day, with all students participating in the school spirit and novelty events. Schools will then choose to send swimmers who qualified to swim competitively at district carnival at Port Macquarie. The first and second place schools in the P5 schools relays are also eligible to send their team to district carnival.

Would parents please note that only swimmers with the correct swimming style in back, breast and butterfly strokes will be placed and be eligible for district competition. Incorrect style is disqualified. Please support our judge who is fully qualified to make this type of decision. The judge will explain this to competitors at the marshalling area before these events. Students are encouraged to have a go, but they won't necessarily have the required stroke to gain a place. If they are disqualified, but would otherwise have gained a place, they will be given a Super Effort ribbon.
