Week 9 Term 4 Friday, 9 December 2022

Thank you

Dear Long Flat Public School community,

Thank you for making me feel so welcome over these past two terms. My goal, to support Mrs Bromfield's vision, has been an amazing opportunity and a rewarding experience.

I have loved getting to know the teachers, staff, and students, and I've been so impressed by the dedication and hard work of everyone involved in making our school such a special place. Thank you for making me feel so welcome and for allowing me to be a part of this community.

At this stage we are planning for the safe and supportive return of Mrs Bromfield on Day 1, 2023!

HOLIDAYS!!!

Dear fellow members of the Long Flat Public School community,

Mrs McLaren

I wanted to take a moment to thank our beloved School Administration Manager, Lisa, for her tireless dedication and support to our school over the last two terms. Lisa has been a valuable member of our team, working tirelessly to ensure that our school runs smoothly and efficiently.

Her hard work and commitment to our students and staff have been invaluable, and we will greatly miss her when she leaves us to pursue a new role at another school. We wish her the best of luck in her new endeavours, and hope that she continues to shine as brightly as she has at Long Flat Public School.

Mrs Ellis and Mrs Conway

I would also like to take this opportunity to thank our 2/3 class teachers, Di and Elisha, for the amazing job they have done in teaching our students. They have cared, nurtured, encouraged greatness, built on self-esteem and resilience, and so much more.

Di, I wish you a very happy active retirement take 4?

Elisha, you are certain to make a positive impact on students in your new adventure in another school.

Thank you, Lisa, Di and Elisha, for all that you have done for our school. You will be greatly missed, but your impact will not be forgotten.

Sincerely,
All of us at Long Flat.

Ideas for Creating a Growth Mindset Environment at Home Part 4:

Struggle

- Help your child become curious about errors or lack of success. Remind your child that failure is important on the way to success. Model (practice and demonstrate in your own behaviour) this!
- Show your child the [Michael Jordan Failure commercial](https://goo.gl/nnsjsA) - <https://goo.gl/nnsjsA> and talk to your child about what the last line of the video means.
- Provide some puzzles and games that may create a little struggle for your child. Work together and discuss why struggle shows that you are learning and that you can build resiliency.
- Model and encourage resiliency - the ability to bounce back from errors and failures.
