

Week 3 Term 2 Friday 13 May 2022

Success through Innovation

Dear Long Flat school community,

I have had a fantastic time over these last 3 weeks as Relieving Principal whilst Mrs Bromfield was on leave. Thank you to the students, staff and community who have made the time an easy and enjoyable one. We all look forward to welcoming Mrs Bromfield back next week.

Small School's Cross Country

Unfortunately, the Small School's Cross Country was cancelled this week due to the poor weather and conditions. The students had been diligently training and building up their running stamina for this event and are commended for their commitment. As the term progresses we will start practising for the different events students will be able to participate in at the Small School's Athletics Carnival happening in Week 10.

Gymnastics

Luckily, we have managed to start Gymnastics lessons and regardless of weather, these will be happening each Thursday as a wet weather option was organised with the instructors from Springloaded.

Parent Teacher Interviews

Thank you to the parents and staff for taking time out of your busy schedules to attend the parent teacher interviews. At the end of this term, staff will be busily writing formal student reports for the first semester. Keep up the fantastic learning I have seen happening as I visited the classrooms over these last 3 weeks.

Once again, thank you for the time I have spent here at Long Flat. I am going to look forward to my weekly visits to the school as I return to my role as Assistant Principal, Curriculum and Instruction.

*Regards, Elisha Conway,
Relieving Principal*

School Start Time 8.30 a.m.

Just a friendly reminder that students should not be arriving before 8.30 am as there is no teacher on duty until this time.

Change in Weather

We've all noticed there's a change in the weather and that it's starting to cool off. Please make sure all students have a school jumper and that all clothing is labelled so it can be returned to it's owner.
